ABOUT

I'm a Computer Engineer interested in change about technologies. I love knowing new things about web developing, mobile applications, database management and testing of new programming languages. I'm currently student at UNAM in seventh semester, but never stop there. I love mathematics and logics, always finding an answer for everything.

EDUCATION

Computing Engineering. 7th semester
Universidad Nacional Autónoma de México
2017 - 2020. Average grade: 9.5

Certificate Course Android application development
Universidad Nacional Autónoma de México (On-line)
2016 - 2020

Computer Technical degree
Escuela Nacional Preparatoria No. 9 "Pedro de Alba"
2015 - 2017. Average grade: 10

Highschool
Escuela Nacional Preparatoria No. 9 "Pedro de Alba"
2014 - 2017. Average grade: 9.4

EXPERIENCE

Software development assesment
Bosch México
2019, 2020

Clinical software
Sanatorio oriente
2019
